SCROLL DOWN

The screenshot shows the official Canadian Government website for applying for an Electronic Travel Authorization (eTA). At the top, there is the Government of Canada logo and a search bar labeled 'Search IRCC'. Below the logo is a 'MENU' dropdown. The breadcrumb trail reads: Canada.ca > Immigration and citizenship > Visit Canada > Electronic Travel Authorization (eTA). The main heading is 'Electronic Travel Authorization (eTA): How to apply'. There are four numbered steps: 1. About the process, 2. Who can apply, 3. How to apply (highlighted in dark blue), and 4. After you apply. Below the steps is a warning icon and text: 'Starting April 1, 2022, pre-entry tests will no longer be required for fully vaccinated travellers entering Canada by land, air or water. Until then, follow the pre-entry test requirements.' At the bottom, there is a language selection menu with 'English' selected. Below the language menu is a dark blue button labeled 'Apply for an eTA'. Red arrows point from the text 'Trykk for å fortsette.' to the 'Apply for an eTA' button.

Important reminders – apply for an eTA

Protect yourself from eTA scams

If you stay longer than allowed, or work or study in Canada without the right permit, you **could be committing fraud**. If someone tells you to misrepresent or lie about your intentions, they're putting you at risk.

[Learn how to protect yourself from fraud.](#)

One person at a time

You can only apply and pay for **one person at a time**. For example, for a family of three, you will need to complete and submit the form three times.

An eTA doesn't allow you to work in Canada

Most people need a work permit to work in Canada. If we approve your work permit, we'll automatically issue you an eTA. You don't need to apply separately for an eTA.

[Find out if you need a work permit.](#)

Du kan betale for én person om gangen.

Det er ikke tillatt å arbeide i Canada når du søker om eTA.
