Endre språk til "English"

Fyll ut innreiseformularen 72 timer før reisen din eller opptil én time før. Trykk på "Do your CheckMig"

The screenshot shows the Colombian CheckMig website interface. On the left, a dark blue sidebar contains the 'MIGRACIÓN' logo and the 'CHECKMIG' title. Below this, it explains that CheckMig allows travelers to preload information 72 hours before their trip. A red arrow points from this text to the 'Do your CheckMig' button in the main content area. The sidebar also lists three benefits: speeding up the immigration process, making interaction easier, and reducing waiting time. The main content area has a light grey background and features three white boxes with icons and buttons. The top box, 'Do your CheckMig', has a checkmark icon and a 'Do Checkmig' button. The middle box, 'Frequent traveler', has a refresh icon and an 'I am a frequent traveler' button. The bottom box, 'Check and download', has a download icon and a 'Review Checkmig' button. In the top right corner, there is a language selection dropdown menu with 'English' selected and a US flag icon. A red arrow points from the text 'Endre språk til "English"' to this dropdown menu.
